3. Program Benefits

Subject to eligibility, availability, approval, and compliance with this Agreement, the Participant may receive:

4. Participant Responsibilities

1. Create or stream genuine, original content that accurately represents ROS Reborn.
2. Follow the content schedule, minimum activity, platform, and deliverable requirements recorded in Schedule A.

3. Use official game assets and program materials only as permitted; do not alter or misrepresent official announcements.
4. Follow the ROS Reborn Terms, game rules, community standards, and applicable platform rules.
5. Treat players, staff, other creators, and community members respectfully. Harassment, hate speech, threats, targeted abuse, or deliberate disruption are prohibited.
6. Do not promote cheating, exploits, account selling, unauthorized game versions, or other prohibited conduct.
7. Do not disclose confidential information, unreleased content, private staff discussions, access credentials, or non-public materials without written authorization.
8. Promptly disclose any conflict of interest, sponsorship, or paid promotion connected to ROS Reborn content, where required by law or platform policy.

5. Content, Branding, and Disclosure

The Participant retains ownership of original content they create. The Participant grants ROS Reborn a non-exclusive, worldwide, royalty-free license during the term and for [period] after it ends to share, repost, display, and promote submitted or publicly posted program content, with reasonable credit where practicable. This license does not transfer ownership of the Participant's accounts or original work.

ROS Reborn retains ownership of its names, logos, game assets, and other official materials. The Participant may use approved materials only to participate in the Program and must stop using them in a way that suggests active affiliation after removal from the Program.

The Participant must clearly disclose any rewards, benefits, or other material connection with ROS Reborn when required by applicable advertising laws or platform rules.

6. Rewards and Payment

Unless Schedule A expressly states otherwise, Program benefits are non-cash promotional benefits and do not constitute wages, employment, or a promise of recurring payment. ROS Reborn will provide approved rewards through the method and timeline stated in Schedule A. The Participant must not share account passwords or security codes to receive rewards. Any required tax reporting remains the responsibility of the party legally responsible under applicable law.

7. Term, Review, and Termination

This Agreement begins on [Start Date] and continues until [End Date / ongoing until terminated]. ROS Reborn may review participation based on activity, quality, conduct, compliance, and program needs.

Either party may end this Agreement by giving [number] days' written notice. ROS Reborn may suspend or terminate participation immediately for serious rule violations, fraud, harassment, cheating or exploit promotion, unauthorized disclosure, misuse of program benefits, or conduct that materially harms the community or ROS Reborn. Where appropriate, ROS Reborn may first request corrective action.

Upon termination, access to early content and program-only channels or roles may be withdrawn. Any unissued benefits may be cancelled where permitted by the written reward conditions. Sections concerning confidentiality, intellectual property, content license, and accrued obligations survive to the extent applicable.

8. No Employment or Guaranteed Status

The Participant joins as an independent program participant, not as an employee, agent, partner, or legal representative of ROS Reborn. The Participant may not make promises, commitments, or official statements on behalf of ROS Reborn unless separately authorized in writing. Program status does not guarantee permanent membership, promotion, or continued access.

9. Confidentiality and Account Security

The Participant must keep non-public program information confidential and use reasonable care to protect their own accounts. ROS Reborn will not require the Participant's password or one-time security code. Suspected account compromise, reward errors, or unauthorized disclosure should be reported through the official support channel.

10. Disputes and Governing Law

The parties will first attempt to resolve concerns through good-faith written discussion. This Agreement is governed by the laws of [Jurisdiction], subject to applicable consumer, privacy, labor, and other mandatory laws. Any dispute forum or additional dispute procedure must be reviewed and completed by the parties before signing.

11. General Terms

This Agreement and its completed schedules represent the parties' understanding about Program participation and replace prior discussions on the same subject.
